

A pixelated logo consisting of the letters 'G' and 'L' in white, set against a solid pink background. The 'G' is on the left and the 'L' is on the right. Both letters are composed of a grid of white pixels, with some pixels missing to create a stylized, blocky appearance. The 'G' has a small opening at the top right, and the 'L' has a small opening at the bottom right. The overall style is reminiscent of early digital art or video game graphics.
